Key Construction Points

1. Before you start
   Please verify the number of block packs included with your product. To prevent pieces from getting lost, open the packages and keep the pieces inside the cardboard box or your own container.
2. Build with blocks
   Please read the building instruction carefully and follow the steps in sequence.
3. Inspect your creation
   Verify if your Mi Truck Builder is assembled properly and make sure all pieces are firmly attached.

Precautions

- Do not expose the product to heat, fire, or ambient temperatures above 60 °C (140 °F).
- Do not subject the product to excessive force.
- This product contains small parts which may be hazardous to small children; adult supervision during product use is required for kids between 6 and 14 years old. Please keep the product away from children under 3 years of age to avoid the risk of choking or suffocation.
- Avoid direct sunlight. This product can be cleaned with water or a damp cloth. Please keep the pieces clean and dry.
